## RESEARCH FUNDING

---

Year	Amount	Source	Purpose
2016-17	£9,300	British Academy/ Leverhulme	Small Research Grant (PI, Rhona Alcorn and Joel Wallenberg, collaborators; Jim Donaldson, RA). <i>A Parsed Linguistic Atlas of Early Middle English</i>
2013-14	\$1,500	University of Ottawa	Undergraduate Research Opportunity Program <i>English wh-relatives: Borrowing or internal development? (with Jordan Allison)</i>
2013	\$6,000	University of Ottawa	Conference hosting (PI, with Eric Mathieu Co-I) <i>Diachronic Generative Syntax 15</i>
2011	\$9,997	University of Ottawa	Seed funding <i>Parsing preferences and the history of English relative clauses</i>
2008-11	£251,327	British Academy	Postdoctoral fellowship <i>Reconstruction without movement</i>
2006-7	£6,039	Wingate Foundation	Doctoral research
2004-6	Tuition & maintenance	Arts & Humanities Research Council	Doctoral studentship
2004	£1,000	University College London	Scholarship
2002-4	Tuition & maintenance	Arts & Humanities Research Board	Masters studentship

Plus approximately 10 grants for conference travel (2006-17).

## TEACHING EXPERIENCE: COURSES

---

### University of Edinburgh

- 2015-17 Introduction to Semantics and Pragmatics (10-credit course, level 11)
- 2015-17 Linguistics & English Language 1 (two lectures on syntactic change and grammaticalization, level 8)
- 2015-17 LEL 2A: Linguistic theory and the structure of English (eight lectures on semantics, level 8)
- 2015-17 LEL 2D: Cross-linguistic variation: Limits and theories (eight lectures on syntactic typology, level 8)
- 2015-17 Introduction to cognitive science (four lectures on nativism, empiricism, and representations in linguistics, level 8)
- 2014-15 Current Issues in Syntax (20-credit course, level 10)
- 2014-17 LEL 2C: English in Time and Space (three lectures on sociohistorical linguistics with reference to Early Modern English, two sections, level 8)

- 2009-11 Biolinguistics (10-credit course, level 11).  
 2009-11 Linguistics 2A (syntax module, level 8).  
 2008-9 Current Issues in Syntax (co-taught with Peter Ackema and Caroline Heycock, level 10).

### University of Ottawa

- 2011-14 LIN1310 “Introduction to Linguistics 1: From Morpheme to Utterance” (seven sections total).  
 2013-14 LIN2310 “Introduction to syntax”.  
 2012-14 Informal workshops for grad students on LaTeX and R.  
 2012-13 LIN6917 “Syntax II”.  
 2011-12 LIN7930 “Topics in theoretical linguistics: Grammatical architectures”.

### Tufts University

- 2007-8 Biological Foundations of Language (co-taught with Ray Jackendoff and Katya Pertsova, advanced undergraduates and grad students).

### Other

- 2015 Short courses on semantic change and natural language metaphysics, EGG 2015, Brno.

## TEACHING EXPERIENCE: DISSERTATIONS

---

### Graduate supervisions (completed)

- 2015-16 Julija Sakalauskaite (University of Edinburgh, taught MSc), *Endogenous and Exogenous Influence on the which*.  
 2015-16 Shu-yu Chen (University of Edinburgh, taught MSc), *The Development of Early where-relatives*, co-supervision with Bettelou Los.  
 2014-16 Steve Rapaport (University of Edinburgh, MSc by research), *Prosodic Shift and Loss of Cases in Germanic, Romance, and Hellenic Languages*.  
 2014-15 Elyse Jamieson (University of Edinburgh, MSc by research), *An investigation of Verb Raising in the Shetland Dialect of Scots*, co-supervision with Caroline Heycock.  
 2014-15 Nova Starr (University of Ottawa, PhD comprehensive exam), *General Number and Semantic Incorporation in Tagalog*, co-supervision with Eric Mathieu.  
 2014 Andrew McKishnie (University of Ottawa, PhD comprehensive exam), *A Partially Unified Analysis of Russian –sja*, co-supervision with Andrés Salanova.  
 2013-14 Paul Melchin (University of Ottawa, PhD comprehensive exam), *Cross-linguistic Variation in Nominal Functional Sequences and Pronoun Types*, co-supervision with Eric Mathieu.  
 2013-14 Christopher Wildman (University of Ottawa, MA major research paper), *Learning Biases, Language and Evolution*, co-supervision with Ian MacKay.  
 2011-14 Fereshteh Modarresi (University of Ottawa and Humboldt University, Berlin, PhD thesis), *Bare Nouns in Persian: Interpretation, Grammar, and Prosody*. Co-supervision with Manfred Krifka.  
 2012-13 Nova Starr (University of Ottawa, MA major research paper) *On “ber” case: Absolute constructions and default case in the history of English*.

- 2012-13 Paul Melchin (University of Ottawa, MA major research paper) *Nominal Projections and Pronoun Types*.
- 2011-12 Shayna Gardiner (University of Ottawa, MA major research paper) *Middle Egyptian Morphotactics*.
- 2010-11 Alexander Beaven (University of Edinburgh, MSc by Research) *Ditransitives, Purpose Clauses, and Control*.

### Graduate supervisions (in progress)

- 2014- Carmen Saldana (University of Edinburgh, PhD thesis), The emergence and evolution of syntactic categories, co-supervision with Kenny Smith and Simon Kirby. Expected completion: October 2017 (currently on interruption).
- 2015- Laura Arnold (University of Edinburgh, PhD thesis). Descriptive grammar of Ambel, co-supervision with Bert Remijsen and Caroline Heycock. Expected completion: October 2017.
- 2016- Ivaylo Youmerski (University of Edinburgh, MSc by research). Language contact and Icelandic relative clauses, co-supervision with Nikolas Gisborne and Bettelou Los. Expected completion: August 2017.
- 2015- Paul Melchin (University of Ottawa, PhD thesis). Syntactic and semantic selection. Expected completion: 2018.
- 2015- Andrew McKishnie (University of Ottawa, PhD thesis). Anticausatives, reflexives, and agentivity crosslinguistically. Expected completion: 2018.
- 2016- Thomas Wood (University of Edinburgh, PhD thesis). Information structure and Russian discourse particles, co-supervision with Caroline Heycock and Mark Steedman. Expected completion: 2019.
- 2017- Ali Alzayid (University of Edinburgh, PhD thesis). Subjecthood and the EPP in Arabic, co-supervision with Peter Ackema. Expected completion: 2020.
- 2017 Whale Dong (University of Edinburgh taught MSc). Event structure in Mandarin. Expected completion: August 2017.
- 2017 Ningyuan Ge (University of Edinburgh taught MSc). Old English demonstrative relatives. Expected completion: August 2017.
- 2017 Matthew King (University of Edinburgh taught MSc). Spanish lexical semantics (co-supervision with Nikolas Gisborne). Expected completion: August 2017.
- 2017 Hugh McLaughlin (University of Edinburgh taught MSc). Corpus study of use of articles by Japanese L2 learners of English (co-supervision planned with Wenjia Cai). Expected completion: August 2017.
- 2017 Anna Page (University of Edinburgh taught MSc). Corpus study of discourse structure extraction from coordinate structures. Expected completion: August 2017.
- 2017 Daniel Simon (University of Edinburgh taught MSc). Nonculminating accomplishments and derivational morphology in English (co-supervision with Nikolas Gisborne). Expected completion: August 2017.

### PhD thesis committees

- 2017 Patrick Elliott (University College London). Title TBC.
- 2016 Zoë Belk (University College London). *Attributes of Attribution*.
- 2014 Bill Thompson (University of Edinburgh). *Transmission, Induction, and Evolution*.

- 2014 Misako Tanaka (University College London) *Scoping out of Adjuncts: Evidence for the Parallelism between QR and WH-movement.*
- 2014 Alexandra Hänsch (University of Ottawa) *Germanic Properties in the Left Periphery of Old French: V-to-C Movement, XP-fronting, Stylistic Fronting, and Verb-Initial Clauses.*
- 2013 Joseph Roy (University of Ottawa) *The Perfect Approach to Adverbs: Applying Variation Theory to Competing Models.*

## TEACHING EXPERIENCE: OTHER

---

- 2015-17 **Programme Director**, MSc Cognition in Science and Society, University of Edinburgh (2015-16 with Hannah Rohde).
- 2016- **Taught MSc coordinator**, Linguistics and English Language, University of Edinburgh.
- 2017- **External examiner**, SOAS Linguistics.

## SCHOLARLY AND PROFESSIONAL ACTIVITIES

---

- Editor** Ampersand
- Editorial boards** Biolinguistics, Edinburgh Studies in Theoretical Linguistics.
- Reviewer** Ampersand, John Benjamins, Biolinguistics, Canadian Journal of Linguistics, Comparative Germanic Syntax Workshop, Continuum Books, DETEC, Diachronic Generative Syntax, English Language and Linguistics, Estonian Research Council, European Summer School in Logic, Language, and Information, Functions of Language, Generative Linguistics in the Old World, Journal of Comparative Germanic Linguistics, Journal of Linguistics, Journal of Philosophical Logic, Language, Language Science Press, Lingua, Linguistic Association of Great Britain, Linguistic Society of America annual meeting, Linguistic Inquiry, The Linguistic Review, Linguistics, MIT Press, Natural Language & Linguistic Theory, North East Linguistic Society, Oxford University Press, Poznan Studies in Contemporary Linguistics, Pronouns in embedded contexts (workshop), Routledge, Semantics and Linguistic Theory, Sinn und Bedeutung, Studies in History and Philosophy of Science Part C: Studies in History and Philosophy of Biological and Biomedical Sciences, Syntax, Tabudag (Groningen), West Coast Conference on Formal Linguistics.
